

MEDCHECKSM

Alleviate healthcare providers from the risk of costly penalties

Whether for healthcare employees, physicians, or contractors, no one focuses more resources on your screening needs than National Background Data. MedCHECK provides background information on healthcare individuals and organizations. This search meets the requirements for screening by the Office of Inspector General's Compliance Program with information from the following sources:

- **OIG** (Office of Inspector General)
- **GSA** (General Services Administration)
- **FDA** (Federal Drug Administration)
- **DEA** (Drug Enforcement Administration)
- **Tri-Care** (Formally Champus)

Our comprehensive healthcare services help reduce non-compliance exposure, aid in quality staffing decisions, and protect the healthcare industry from civil and non-compliant penalties. This service can be customized to meet any level of risk protection your clients require. Choose from the following services:

- **MedCHECK ProSM**: Provides sanction information, for a single state, on healthcare individuals.
- **MedCHECK OrgSM**: Provides sanction information, for a single state, on healthcare organizations.
- **National MedCHECK OrgSM**: An enhanced version of MedCHECK Org that searches all 50 states and includes the Global Report for a more complete search.
- **National MedCHECK ProSM**: An enhanced version of MedCHECK Pro that searches all 50 states and includes the Global Report for a more complete search.
